Reading

- 1 Look at the picture. Where is Sasha from? Think of three questions you would like to ask him. Listen and read to see if the text answers your questions.

1

When does school start/finish?

8:30 am to 3:00 pm, Monday to Saturday. In the evenings I have additional algebra and English classes, too. Right now, I'm studying for my English class. I'm sitting an English test tomorrow.

Do you get homework?

Yes, I do. After school I have a break, then I do my homework. I usually stop around 9 o'clock in the evening.

2

Do you get any pocket money?

Every day my parents give me 50-70 Rubles (€1,60) for a snack. If I want to buy a CD, or something like that, I must ask them for the extra money.

What do you do in your free time?

I mostly play football and ice-hockey. This Saturday I'm playing for my school ice-hockey team. I also enjoy computer games, or listening to my CDs. My favourite singer is Eminem.

3

Where do you live?

In a three-bedroom flat with my parents, my sister, my grandmother and our cat. My uncle is staying with us at the moment. He is looking for a flat of his own.

Do you argue with your parents?

Nothing really serious. Sometimes we argue about my playing computer games too often. My mum is always complaining about me drinking cola. She says it's bad for my health.

4

What do you like/hate about being 14?

I've got a really nice family and a lot of good friends. The only problem is my parents think I'm still a baby.

What do you worry about?

I worry about my future. I don't know what I want to be.

- 2 Read the interview and label the four sections. One heading does not match.

- food • hopes & fears
- school life • hobbies & free time
- house & home

- 3 Make notes under the headings. Then tell the class about Sasha. How similar/different is your lifestyle to his?
